SECTION A

GENERAL CONDITIONS OF BID

1. INTENT

- A. It is the intent of the City to solicit bids from qualified vendors to provide specified athletic field grounds maintenance services for the City of Seminole located at 9100 113th St N, Seminole FL, 33772. Please see Scope of Work in Section B of this document for details.
- B. It shall be the responsibility of the Contractor to review site conditions along with bid documents to determine those materials and work that are necessary to complete the contract. Omission of any essential detail from these specifications does not relieve the Contractor from completion of the work.
- C. **It is not the purpose of these specifications to eliminate any qualified Vendor.**

2. PREQUALIFICATION REQUIREMENTS

- A. Company specializing in performing the work indicated in the specifications of this contract with a minimum of five (5) years' experience maintaining athletic fields.
- B. The contractor shall submit a list of at least (4) customers for whom they performed similar services.

3. RESERVATIONS

The City of Seminole reserves the right to reject any and all bids or parts thereof, to waive all technicalities, or to negotiate separately in a manner necessary to serve the best interests of the City. It also reserves the right to be sole judge of the suitability of all bids for use by the City. The City of Seminole reserves the right to reject or otherwise disregard any ambiguous bid which is uncertain as to terms, delivery, quality, quantity or compliance with these specifications.

4. DEFINITIONS

- A. The "City of Seminole" shall also be understood to be completely interchangeable with the terms "City," "Department" or "Purchaser."
- B. "Vendor" shall also be understood to be completely interchangeable with the terms "Contractor" or "Bidder."

5. PREPARATION OF BID

To be considered, all bids must be made in accordance with this "Invitation to Bid." Any contract which the purchaser may enter into shall include the attached specifications and the vendors' bid specifications. The bid will be prepared in accordance with the following:

- A. This package, along with vendor's specifications and any forms herein, questionnaires and listed exceptions, shall be submitted as a part of the vendor's entire bid.
- B. Each vendor is required to provide in their bid a "complete and accurate description" of their own detailed specifications.

- E. Vendors will not include sales tax in bid prices, as the City of Seminole is exempt from payment of such taxes. An exemption certificate will be signed, where applicable, upon request.
- F. Each vendor shall thoroughly examine and be familiar with the specifications. Failure or omission of any vendor to receive or examine any form, instrument, addendum or other documents, shall in no way relieve any vendor from any obligation with respect to his bid or to the Contract. The submission of a bid shall be taken as prima facie evidence of compliance with this section.
- G. Vendors are advised that all City contracts are subject to all legal requirements provided for in the Purchasing Policy and State and Federal Statutes.
- H. Vendors may email Rodney Due, Director of Public Works, for clarification of the specifications. Rodney may be reached at rdue@myseminole.com
- I. No oral interpretations will be made to any vendor as to the meaning of the Specifications or any other Contract Documents. Every request for such an interpretation must be in writing and shall be received by the Director of Public Works not less than seven (7) calendar days prior to the date set for opening of bids.

Where necessary, interpretations made to a Vendor will be in the form of an Addendum to the Contract Documents, and when issued, will be added to the Invitation to Bid in a reasonable period of time at the discretion of the City before Bids are opened. In addition, all Addenda will be posted on the City website and it shall be the Vendors' responsibility to make inquiry as to the Addenda issued. All such Addenda shall become part of the Contract Documents and all Vendors shall be bound by such Addenda, whether received or not.

- J. Unless specifically set forth in the specifications, any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for information and not intended to unfairly limit competition. The vendor may offer any brand for which they are an authorized representative, which meets or exceeds the specification for any item(s). If bids are based on equivalent products, indicate on the bid form the manufacturer's name and number. Vendor shall submit with their bid descriptive literature, and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy the provision. The vendor shall also explain in detail the reasons why the proposed equivalent will meet the specifications and not be considered an exception thereto. Bids which do not comply with these requirements are subject to rejection within the discretion of the City.

6. SUBMISSION OF BID

- A. All bids shall be complete and shall convey all information requested by the City. If errors are found in the vendor's bid, the City will be sole judge as to whether that variance is significant enough to reject the bid.
- B. The City of Seminole will not be responsible for ANY expenses incurred by any firm in preparing and submitting a response or traveling to conduct interviews or demonstrations.
- C. All bids shall provide straightforward, concise delineation of the firm's capabilities to satisfy the requirements of the request. Emphasis should be on completeness and clarity of content. - B. The City may, however, reject all bids whenever it is deemed in the best interest of the City to do so and may reject any part of a bid unless the bid has been qualified as provided in 7.A.iii. The City may also waive any minor informalities or irregularities in any bid.

8. WITHDRAWAL OF BID

- A. Bids may not be withdrawn after the time for the bid opening for sixty (60) days from opening.

If two (2) or more bids received are for the same total amount or unit price, quality and service being equal, the contract shall be awarded to a local vendor. In other cases, the City shall award the contract to one (1) vendor by drawing lots in public when considering tied bids.
- D. The City of Seminole reserves the right to reject any and all bids or part thereof, to waive all technicalities, to negotiate separately, to waive any informality in bids received when such waiver is in the best interest of the purchaser; also to except any item in the bid, unless otherwise specified by the purchaser or vendor. It also reserves the right to be the sole judge of the suitability of all bids for use by the City.
- E. The competency and responsibility of vendors will be considered in making the award. The City of Seminole reserves the right to reject or otherwise disregard any ambiguous bids which are uncertain as to terms, delivery, quantity, quality or compliance with these specifications.
