

Question and Answers #4

1. Has the City received the commercial container collection size and frequency matrix from the current hauler yet? *(Questions and Answers #2, question 13)* **No**
Is the city amenable to a Monday/Thursday and Tuesday/Friday residential trash collection schedule? **Yes, Residential customers will be serviced twice per week, each day separated by two (2) days. Pg. 16 RFP**
2. Is the City amenable to a Wednesday collection day for all residential recycling? **Residential recycling will be collected one (1) time per week. Pg. 16 of the RFP. Current recycling is picked up on Wednesday.**
3. Addendum #1, page 5, Current Rate Sheet: at the bottom of the rate sheet there are Restart Service Fees for Commercial, Residential and Returned Check. **The City of Seminole does not handle the billing. This is our current provider's rate sheet. It was requested by one of the proposers.**
 - a. With the new agreement, is the City intending to allow residents/businesses to go on vacation hold and then restart with the associated restart rate? **Current contract allows residents to suspend service for a minimum of 90 days, with a 30 written notice**
 - b. Is the restart fee associated with accounts (residential and commercial) that may have a lapse in payment and then the restart fee is applied once the account is back to current? **In the current contract it applies to reinstatement of delinquent accounts as well.**
4. During the pre-bid meeting you asked if a map of residential and commercial zones areas would be helpful. I believe the consensus was yes. Would you please provide a map as part of the next addendum? **This was posted on Demand Star on August 19th. If you cannot download from Demand Star please contact the City's Community Development Director Mark Ely at MEly@myseminole.com**
5. We noticed on the public notice section of the City's website under the City Wide Solid Waste Services that there was not a Q/A #2. Is this intentional (see image below)? **Questions and Answers #2 is embedded within Addendum #1.**
6. Page 31 of the RFP, Proposer's Checklist:
 - a. Is there a form for the 'Acknowledgement of Addendums' or a specific place that you would like for us to place this information? **Please Provide a receipt acknowledge statement, or include the addendums and questions and answers within your proposal.**
 - b. The signed financial statements: would the City accept 2018 and 2019 audited financials prepared by our independent auditors along with a financial stability letter signed by our CFO? Or what is meant by 'signed financial statements'? **Addendum #1, Questions and Answers #2, question #20**
