

ADDENDUM NO. 2

DATE: May 6, 2020
FROM: City of Seminole Public Works
TO: All Plan Holders
SUBJECT: ADDENDUM NO. 2 to the bidding documents for the
City of Seminole - Waterfront Park Observation Boardwalk Project

BID DOCUMENTS

1.1 DESCRIPTION; Clarification of ADA railing.

The proposed spacing for the drop railing is every 12 feet to correspond with the pilings. There will be four drop sections (34" high) 12 feet in length, equally spaced along the East side of the dock. No drop sections will be required on the North and South approaches. All other details will remain the same.

Clarification question about pavilions; This project does not include the building of any pavilions, or sidewalk.
