

The City of Seminole Recreation Department's COVID-19 Response

Due to the continuing health and safety concerns surrounding COVID-19, the Seminole Recreation department has altered its operation in the following ways.

- The Seminole Recreation Center is closed to the public.
- Staff members are available Monday through Friday, from 8:00 a.m. to 6:00 p.m. to offer services via phone (727)391-8345
- All organized programs, activities and events have been postponed.
- All Senior Programs are cancelled until further notice.

The Recreation Department is encouraging everyone to stay fit, stay healthy and stay active during these times of uncertainty for our members.

The Recreation staff is working hard to create digital based Recreation activities and programs for our members. Staying active at home can be challenging so be expecting to see the Recreation Staff enter your home via Fitness Classes that are recorded, and with other ideas on how to stay active while at home. Staff is also working on videos of activities you can do at home with your child(ren), as well as dance offs and various other digital content. Even though the Recreation Center is closed we are still thinking of ways to stay connected and hope you can join in some of the activities provided through our website, videos and social media.

The Seminole Recreation staff will be updating this page along with social media platforms with online resources to keep you and your family connected! Thank you for your understanding in this challenging time.
