SERVICE CHANGES  
BEGINNING DECEMBER 1, 2020**

As you've probably heard, Waste Pro will begin solid waste and recycling service in the City of Seminole beginning December 1, 2020. The cost for twice a week trash pickup and once a week recycling pickup is \$14.72 per month. You will receive your first bill from Waste Pro in mid-December. This bill will be for the December service only. After that, you will be billed for all services on a quarterly basis. Waste Pro will offer online and automatic payment options.

You will NOT need to cancel your existing Waste Management account. Waste Management will automatically close all City of Seminole accounts at the end of November.

November 25, 2020, will be the last day that Waste Management will pick up curbside recycling. PLEASE MAKE SURE THAT YOUR BLUE RECYCLING CART IS PLACED AT THE CURB ON NOVEMBER 25, 2020 SO WASTE MANAGEMENT CAN COLLECT IT.

If you would like to dispose of your old trash cans, Waste Pro will pick them up. Waste Pro asks that you place your old trash cans next to your cart and place a note on the old trash cans stating to PLEASE REMOVE WITH TRASH.
