**Basketball Camp:** Improve your basketball skills through different drills and scrimmages!

**Magic Camp:** Learn about the world of magic through this instructional teaching!

*Last class will showcase what your child has learned through a live performance!\**

\*Parents are welcome to attend performance

**Esports Camp:** Explore various video games and practice your skills up in the Esports lounge!

**Art Camp (Animals, Animals, Animals):** Create amazing animal themed works of art!

**Snapology Pokemania:** Using LEGO bricks, campers will build and explore the world of Pokémon as they create their own gyms, battles, and even their very own generation of Pokémon. Campers will also learn about real-world science as they learn about the habitats of the Pokémon. Your child will have a blast becoming the best Pokémon trainer ever.

**Snapology SUMObots:** In this program, your child will design their own SUMO wrestling robot that will compete against their classmates' bots for the title of toughest SUMO Bot. There are no limitations put onto their robot designs, and they will have the opportunity to refine their robots as they compete during the program.

**Art Camp (Exploring Different Art Styles):** Learn different art styles and create your own masterpieces!

**Seminole FC Soccer:** Improve your soccer skills through drills and scrimmages in this fun camp hosted by Seminole FC.

**Chess Camp:** Learn the game of chess through guided instruction. Participate in fun games and activities as they learn to become a chess master.

**Snapology Jedi Masters:** In this camp, your youngling will explore the galaxy with their master building skills and our intergalactically focused curriculum. Motivated to become Jedi like the heroes in the movies, students will learn to concentrate on mastering the Force, appreciating the use of teamwork to build battle drones and AT-Walkers, and if their skills are up to par, make their very own lightsaber and use it in battle!

**Mad Science Camp:** Discover new ways to make science fun through exciting hands on experiments.

**Baton:** Learn the basics of baton twirling in this fun week-long camp!
